

CERTIFICATE OF ANALYSIS/ORIGIN

Product Description: Culture Tubes, Glass
Product Number: C 930
Lot Number: 00J93007
Storage Temperature: RT
Molecular Weight: NA
Formula: NA
CAS Number: NA

Physiochemical Specifications:

TEST	SPECIFICATION	RESULTS
Physical Appearance:	Clear Glass Test Tubes w/Rounded Bottom	Passes
Measurement (Diameter)	25 ± 3 mm	Complies
Measurement (Length)	150 ± 5 mm	Complies

The material described in this certificate was manufactured in the United State of America and is of synthetic nature. No animal components were used in the manufacture of this product.
